

## **SANYO CO2 AIR TO WATER HEAT PUMP FURTHER TRAINING DATES NOW AVAILABLE**

Further to your interest in the Sanyo Carbon Dioxide heat pump please find below forthcoming training days for the system. We are currently holding training days at the Sanyo offices in Whyteleafe where there is a working CO2 System in operation for your viewing and 'hands on' training. With SANYO offices being the only CO2 training centre available to us until our Bristol facility re-opens, we are offering a **10% reduction** for anyone driving from outside of a 70 mile radius of Whyteleafe.

Dates are as follows:

Wednesday 12th May- Sanyo Offices, Whyteleafe, Surrey CR3 0AT

Course fee - £250 + vat per person

On completion of the course the attendee will receive certification becoming an accredited installer of the Sanyo CO2 system and will go away with a full training manual, sizing software and the 'approved installer logo'.

If you wish to attend either of these training days please complete the attached form together with your remittance to:

***Kate Cowlard, Oceanair Design Ltd, Unit 3 Burns Way,  
Holmbush Potteries Estate,  
Faygate, nr Horsham,  
West Sussex, RH12 4ST  
Tel: 08456 590022***

If you have any queries please call ***Kate Cowlard*** at Oceanair on 08456 590022.
